**Re: Resignation**

Dear Judge Landgrebe:

My current personal and professional circumstances require that I immediately resign from the voluntary position as caretaker and Trustee of Central and Laurel Hill Cemeteries.

All other Board Members have resigned leaving me with a Resolution stipulating that these cemeteries and their treasuries be turned over to a capable professionally run organization.

We have failed to find, after *five years* of extensive efforts, a merger partner among faith-based, municipal, and private associations. The Veteran's Administration is the only organization we have not approached.

Interment and memorial sites deserve oversight by organizations that can assure communities continuity of operation. It is not work for ad hoc groups of volunteers.

As we have previously discussed, the industry would benefit from review and oversight.

*I need instructions for turning over records, bank accounts, and operational responsibilities.*

Sincerely,

Jeffrey G. Nolan  
Trustee
